What [User](#) doesn't like about Cancun Mexican Margarita Grill:

I ordered a \$30 mocajete and decided to share with my man, because we said it was big. Yes, the mocajete was big, but it was mostly filled with wobbles that were good but not worth the price. it had 2 shrimps, a piece of chicken, a peace of steak and carnitas above. flavor was really good, but only know that when they order a mocajete, they expect a lot of tweepers and a bad amount of meat that is not worth \$30.
