On this site, you will find the **complete menu** of Jack In The Box from Arlington. Currently, there are **13** meals and drinks available. Jack in the Box offers a mixed dining experience, with food that generally impresses, particularly the ultimate burger and teriyaki bowls. Many patrons enjoy signature items like the strawberry limonade and curly fries. However, be prepared for occasional order mix-ups and slow service, especially during off-peak hours. While late-night service is convenient, some customers report frustration over early closing times and lack of attention to order details, such as sauce requests. Overall, it's a popular late-night spot with consistently decent food, though a diligent eye on orders is recommended for an optimal experience.
