This place is my local 5 guys in a strip mall and it offers what is reliably advertised. Ferrari Soda Fountain and freshly made to order burgers. Only the complaint I have in place is the layout. While waiting for your order, there is no practical space to be out of the way of other males. Burgers are certainly better than normal [fast food](#). Strangely, the music that plays overhead is also consistent. Recommended. [read more](#). What [User](#) doesn't like about Dunkin':

Slowest drive thru DD in all of Mercer County BUT they do have the nicest DD employees in all of Mercer at the same time. The wait just kills the experience constantly, it's a shame. [read more](#). In the morning, a diverse brunch is offered at Dunkin' in Ewing Township that you can celebrate as much as you like, The visitors of the establishment are also thrilled with the comprehensive variety of various **coffee and tea specialities** that the establishment offers. Most often, the *burgers of this restaurant*, which are among the highlights, are offered along with filling side dishes like french fries, salads or wedges, and you can enjoy here tasty American dishes like Burger or Barbecue.
