fizz city and the coffee bar are clean and well equipped. the set-up is much more comfortable with the coffee near the other drinks. the load is clean. the personal is friendly. still sketched out about eating on every sheet after lacking food safety at some places. have not seen any cause for reflection on this place [read more](#). The diner and its premises are wheelchair accessible and thus usable with a wheelchair or physiological limitations.

What [Christina Sizemore](#) doesn't like about Sheetz:

20 people in store and only 2 have mask on! Everyone, so close you could see people's hair on butt.. (med-a-for)... ok, if your not going to have people WARE mask of some kind, i have to go someplace else. I am not panicked, but THIS IS WHY ITS SPREADING! FROM THOSE THO DO NOT GIVE A CRAP rebelling in society vs community teamwork to stop the spread. i had to ask people to step back in line.. thats terrible. If you're craving for some fiery South American culinary arts, this is the place to be: exquisite meals, roasted with fish, seafood delicacies, and meat, but also **corn, beans, and potatoes** are in the menu, For a snack in between, the fine **sandwiches**, healthy salads, and other snacks are suitable. The *burgers of this place* are among the highlights and are usually served with side dishes such as chips, leaf and cabbage salads or wedges, You can also unwind at the bar with a cool beer or other alcoholic and non-alcoholic drinks.
