Lava Grill is our go-to Hibachi spot. The food is always amazing, as is the service. It is definitely one of our favorite treats and makes for a fun date night. What [Samantha C](#) doesn't like about Lava Grill: Place was pleasant but service was horrible. The hibachi chef did not want to be there and you could tell, he threw a fit because we asked to remove the mushroom because of an allergy. Had a big attitude and didn't even cook our food right the chicken wasn't cooked and the shrimp was rubbery way too expensive for what we got. [read more](#). An additional service offered by the restaurant is the catering service for guests. Besides, the creative blend of different dishes with new and partially adventurous ingredients is appreciated by the customers - a beautiful case of Asian Fusion. Furthermore, they provide you **fine seafood dishes**, Thai dishes are prepared here with the famous spices and fish sauces.
