What [User](#) likes about Islands:

Great food and top of the line customer service. We are vegetarian, so no eggs, meat or fish. We also had milk and mother allergies at our table. Servers (Leslie and Christian) were super friendly and accredited with our eating habits. They even printed our Allergen menu without asking us. Up and beyond with customer service!

Next time we definitely come back in Cali! [read more](#). During meals, a refreshing drink is essential. In this gastropub, you will find not only delectable meals, but also a large and comprehensive selection of good beers and other alcoholic drinks that compliment the food, They also present tasty South American meals to you on the menu. Watching various sports events and competitions is also one of the pluses of visiting this **sports bar**, Naturally, you should also taste the *fine burgers*, accompanied by sides like fries, salads, or wedges offered.
