Diving is not available here. If you are looking for some Carribean food in the area when I strongly suggest that you plan, as there is always a waiting time. The good in this place is that the food is good, the prices are fair and imo you value your money. Ordering my favorite dish is the Reggae Shrimps, Curry Goats or their beef patents. I usually replace the rice for the Mac and the cheesecake and it is very good. [read more](#). I just had my first experience in this restaurant and the food was disappointing.. I tried the beef stew, which was very fat every piece and very hard to eat or chew, was definitely not tender. I love Mac and cheese, this Mac and cheese was not good at all, like not all..wouldn't order here again. [read more](#).
