On this webpage, you will find the **complete menu** of **The Still Room** from [Missoula](#). Currently, there are **14** dishes and drinks available. Nestled within a hotel, this restaurant boasts a spacious dining area and a friendly staff, creating a warm atmosphere for patrons. While some dishes, like falafel and chicken sandwiches, received praise for their flavor, service inconsistencies marred the experience. Long wait times, often exceeding 30 minutes, and mismanaged orders left diners feeling unsatisfied. The virtual menu, limited to a handful of options, added to the frustration. Though the ambiance is inviting and the staff accommodating, many suggest exploring nearby alternatives to avoid potential disappointments. Overall, while some found value, others felt the experience fell short of expectations.
