The cook really knows how to cook. The food here is great. I'm just here for brunch, but everything on the table was well designed and executed. Just to note that this place is 21, idk, why Indiana wants to restrict large places like this. [read more](#). What [User](#) doesn't like about The Cellar Wine Bistro:

Very poor customer service. Answer to the owner: explain the fees and delete confusion? The fees have been mixed because it made a mistake on your part that you have corrected on the spot immediately or via phone call with the person who has been mistakenly charged to someone else bill. However, you did absolutely nothing to fix your own mistake. This is unprofessional and is a poor customer service. [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious cuisine from the menu but also a comprehensive and particularly good selection of *good beers and other alcoholic beverages* that go well with the food, the menu also includes fine [vegetarian](#) dishes.
