Get excited about the diverse, delicious [Mexican](#) cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers), Furthermore, the drinks list in this restaurant is impressive and offers a good and extensive selection of beers from the area and from worldwide, which are definitely worth a try. Surely, it's also a nice experience to feel like in the **Wild West** once, to drink and sample like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice juicy burger, In addition, the current games or races can be watched on the big screen in this **sports bar**, which the visitors also love.
