The restaurant offers complimentary WLAN for its guests, And into the accessible spaces also come guests with wheelchairs or physical limitations.

What [Patrick B](#) doesn't like about Cabo's Mexican Food:

Food is absolutely terrible. I've been here a few times and have yet to have a good experience. Service is nearly as terrible as the food. Maybe ask for a refill when you get your drink because every time I've went refills are not likely to happen. We walked in the last visit and a worker (from the kitchen it appeared since that is where he went to after we walked in) was at the front counter talking to the hostess a... [read more](#). Cabo's Mexican Food from [Plaquemine](#) is valued for its delicious burgers, to which delicious fries, salads and other sides are offered, Generally, the meals are prepared *in the shortest time and fresh* for you. Also, they offer you **flavorful seafood menus**, Many guests are also especially looking forward to the diverse, delicious Mexican cuisine.
