Sabrina greeted me at the door, let me sit in seconds, took my order, got my drink in record time, then brought the food into what seemed like a minute. She's engaged, smart and helpful. Asked if she could bring something else and pay attention. When she wasn't busy with customers, she cleaned all the tables and cleared others.

Could not ask for better service! [read more](#). In nice weather you can even eat and drink in the outdoor area.

What [User](#) doesn't like about Hooters:

Do not go to this place expected good food. Very bad cooking through the chefs in the back. I have the chicken tongue sandwich and it was definitely cooked in the microwave. If you want to drink beer and watch sports in a somewhat clean environment, this is the place for you, except that I would choose somewhere else. [read more](#). If you're looking for more variety than just eating and drinking, you'll find it in this sports bar. At the bar, you can still relax after the meal (or during it) with an *alcoholic or non-alcoholic drink*, The tasty **sandwiches**, small salads and other snacks can be planned well as a snack.
