Just like in the name these burgers are top notch, they're well crafted and aren't overcooked. The flavor of the Mexican burger is excellent and the guacamole on it complements the flavor of the meat. [read more](#). What [Jas](#) doesn't like about Top-notch Beefburgers Inc.:

Good food but they take your money through third party app orders when they don't even accept orders through third party apps. It's super inconvenient and they will look at you like they don't know what to tell you which would easily upset anyone. Only order by walking in or calling. [read more](#).
