For **changing offers**, please contact the restaurant owner directly. You can also contact them through their website. What [4joe p \(1 1 year ago\)](#) likes about The Coach Stop Tavern: Good food and a little pricey. The outdoor seating is really nice but it's a bit unfortunate that it's near a main road with a lot of noise. Overall, worth a try, especially for that lobster roll! [read more](#). What [1Danielle L \(3 1 year ago\)](#) doesn't like about The Coach Stop Tavern:

Maybe we just went on an off night but definitely will not be back. We had the Seafood Fra Diablo and a lobster avocado salad. How that could be bad, I will never know but it was so bland and tasteless. Drinks looked good but were not good at all! Too many other great places in town to waste time here. Wrap City across the street would have been a better and less expensive option! [read more](#). If you're desiring some spicy South American cuisine, you've come to the right place: exquisite menus, roasted with *fish, seafood, and meat*, though corn, beans, and potatoes are also on the menu, and you may look forward to the tasty traditional seafood cuisine. You have the option to, after the meal (or during it), also relax at the bar with an alcoholic or non-alcoholic drink, For a snack in between, the tasty sandwiches, healthy salads, and other snacks are suitable.
