I have never had steak and shake before, not until my friends suggested I come along. Not gonna lie, I'm glad I did. Not only was the food good. It was so cheap! I meant 3.99 for a burger with fries. I know McDonald is cheap prices like that but the difference is that this place is actually good. The restaurant was nice spacious and clean.

I'm definitely going here again. [read more](#). What [User](#) doesn't like about Steak 'n Shake: every time I order on ubereats, my order will be cancelled! why is this location on the app if they do not fulfill the orders? that's so frustrating. her young closes at 10 so that orders should not be denied so early.
