What [User](#) likes about Tiki Tiki:

I drove past this place a thousand times. My husband said he wanted to go and we left. It's really good. The food too big. Many [vegetarian](#) options. It is a fairly standard Chinese menu and it is solid. Great service. Clean tables and bathrooms. The stands are in good shape. There are 2 napkins wrapped around the flatware. Great touch. I love that. I wish I had gone earlier. [read more](#). What [User](#) doesn't like about Tiki Tiki:

I usually just get their chicken or pork lo mein and it's good, BUT idk it has something to it that makes my mouth feel like I ate a bucket of salt. I think they add too much MSG or Sodium, but I've ordered 3 times now and every time it been the same way. I've worked st a couple of Chinese restaurants in the past so I know sometimes these types of restaurants can be heavy with the NA MSG. [read more](#). At Tiki Tiki from Richmond it's possible to enjoy delicious [vegetarian](#) meals, that were made without any animal meat or fish, Many customers show especially their enthusiasm for the **versatile, tasty Chinese cuisine**. The Asian fusion cuisine is likewise an important part of Tiki Tiki. Anyone who finds the normal and generally known menus too ordinary can here approach with a willingness to experiment and try some unexpected combination of ingredients eat, on the menu there are also a lot of *Asian menus*.
