My restaurant in the morning, where I can get to work early. I take these tasty sausage mcmuffins and they are pretty consistent to be good. They treat the lines well. [read more](#). You can use the WiFi of the place free of charge. What [User](#) doesn't like about McDonald's:

Honestly, I've never thought very highly of McDonald's.. this one must be new or newly remodeled. Very clean and modern dining area. The bathrooms could be cleaned a bit better but they were better than I would've expected. The staff was ok, but not overly friendly. Didn't get the right order but it was close enough.
