[Melanie](#) likes about Taco Bell:

I like Taco Bell because food is good (and not too expensive), fast, and they close late so it's nice when we want to have a midnight snack. They could improve on their drink options tho. The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological limitations, Depending on the weather, you can also sit outside and eat. What [O'Shea C \(Ray C\)](#) doesn't like about Taco Bell:

-People are so nice they always take last minute order -They got good fries -Their drinks are good as well However, they close too early. Food: 4 Service: 5 Atmosphere: 2. Taco Bell from LAIE is the perfect place if you want to sample delightful American courses like burgers or barbecue, Many guests are particularly looking forward to the *diverse, delicious* Mexican cuisine. **Courses are usually prepared in a short time for you and brought to the table,** There are also scrumptious **South American** menus in the menu.
