I love the staff, food, and cocktails! The seats at the bar could use some improvements, but they're not bad enough to knock a star off. The bartenders are always sweet and friendly, and the servers are tentative and accommodating! [read more](#). In nice weather you can even eat and drink in the outdoor area, and there is complimentary WiFi. What [User](#) doesn't like about Twist Midtown Grill:

The first time I ate here was nice. Food was good with timely service. This most recent time was terrible! We were in a group with reservations. Our food came out very disorganized and sporadic. This place needs kitchen help! [read more](#). Want to spice up your eating and drinking routine? Come to this sports bar and enjoy a variety of large and small snacks and dishes while watching live football, tennis or Formula 1 games, because just eating and drinking is too boring!, Also, the drinks menu at this place is exceptional and offers a significant and comprehensive diversity of both local and international beers, which are definitely worth a try. Not to be left out is the large selection of *coffee and tea specialties* in this restaurant, Typically, the dishes are prepared for you in a short time and fresh.
