What [User](#) doesn't like about Fuddruckers: 3 stars is for the fries and the cleanliness of such an old looking establishment. Burger wasn't bad, it just wasn't great. Kudos to fresh veggie bar but the cheese (AMERICAN) is distasteful, I wonder if you switched brands? Staff on shift was really nice. I'll come back if a friend invites me. However, I'll just get fries, the cheese and fry sauce is good. If you're hungry some **hot South American gastronomy**, you're in the right place: delicious menus, made with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, Also, the drinks menu at this place is exceptional and offers a significant and varied variety of both local and international beers, which are definitely worth a try. In addition, there are tasty American dishes, such as **burgers and grilled meat**, And of course, you should also try the scrumptious burgers, with sides such as fries, salads, or wedges provided.
