my wife and I ate at 4 different places this weekend, and this Denny was literally the only place that knocked it out of the park! this location has always friendly staff, fantastic portions, and the best hasbrowns can get them.

the other places that we have eaten at the last weekend, forgot our order completely or gave us the smallest sweat of the food proportions, or simply tasted like mull. but Dennys, yes Dennys... [read more](#). What [User](#)

doesn't like about Denny's:

good place needs more than 1 server but the kerl last night was cool he ran on many tables when he could the only food hot, but others then that awesome service child-friendliness: children eating free weds sauce so very nice a free child meal to any adult meal [read more](#).
