What [User](#) likes about Parma Tavern: The menu was extensive had many delicious dishes. Many items are usually not part of bar food. Noodles and cabbage, perogies and kielbasa are not found on most bar menus. There are daily specials. [read more](#). When the weather is good you can also eat and drink outside. What [User](#) doesn't like about Parma Tavern: This place was highly recommended for food but I didnt think it was that great. Burger was supposed to medium but came out well done. Parma Tavern burger is some fake patties that were overdone as well. Cabbage noodles, pierogies, spinach and artichoke dip was bland. Onion rings and tater tots were good. [read more](#).
