big place I have been very common for years. Eating is really good and cheap. they also have a nice drink selection and many tvs to see what is always game. only that is that they know better what they want to order because they have to wait a long time until everyone takes their order. it is a regular event to wait a dae. service is very friendly, they only take a long time, even if it is not terrible busy. Just eating and drinking is too boring for you? Then a visit to this *sports bar* is just right: in addition to large and small snacks and menus you can watch the latest football matches, tennis or Formula 1, and you can try scrumptious American meals like Burger or Barbecue. The burgers of this place are among the highlights and are usually served with side dishes such as chips, leaf and cabbage salads or wedges, You can also unwind at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks.
