A complete [menu](#) of El Caballero from Hobbs covering all **15** meals and drinks can be found here on the card. For *changing offers*, please get in touch via phone or use the contact details provided on the website. What [User](#) likes about El Caballero:

This is my favorite restaurant! I've been there for 30 years and I've never been disappointed. The chips are thick and hot served with two types of salsa. The Chile Rellenos are the best I ever had. The chicken strips are huge!

You have rebuilt and it's nice, but that's not a chic restaurant. It's more of a hole in the wall. I wasn't in the new place, but I hope the food is the same. [read more](#). You can use the WiFi of the place at no extra cost. What [User](#) doesn't like about El Caballero:

I would not recommend this restraint if I was paid I was paying to eat fresh homemade instead of I can seriously not refill to at least wash it down, but Nope service bad food paid more than \$20 mice ridiculous [read more](#). If you want to have a drink after work and hang out with friends, El Caballero from [Hobbs](#) is a good bar, There are also tasty South American menus on the menu. If you decide to come for breakfast, a hearty brunch is ready for you, and you have the opportunity to try fine American menus like **Burger or Barbecue**.
