For **[changing offers](#)**, please get in touch via phone or use the contact details provided on the website. What **[kenneth self](#)** likes about Spudnuts Donuts:

This place rocks! Great donuts, they could be more talkative and happy but a lot of places seem a little out-of-sorts because I am blind and my wife doesn't always engage like I do so that's that. Great donuts though, did I say that? **[read more](#)**. What **[Modie Cotton](#)** doesn't like about Spudnuts Donuts:

I would say overall, these are decent donuts. They have nice flavors but because they leave them out in the open, meaning the air gets to the donut making them taste a little stale. Our purchase: My husband got a maple old fashioned and a sausage egg croissant sandwich. He said both of his items were decent. I got their chocolate cake w/ chocolate frosting, which reminded me of a 'Little Debbie' cupcake, a chocolate... **[read more](#)**. At Spudnuts Donuts in Sacramento, there are *delicious sandwiches, small salads and further snacks* for quick hunger, as well as hot and cold drinks, Likewise, the visitors of the establishment prefer the comprehensive selection of various coffee and tea specialities that the establishment provides.
