Burrito-Ville is one of my top 3 favorite places to eat in Cape. The food is delicious, the staff is friendly, and the atmosphere is fun. I ordered the taco salad minus lettuce, chips, and salsa. If you're craving for some **fiery South American culinary arts**, this is the place to be: delightful dishes, prepared with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are on the menu, there are also tasty [vegetarian](#) menus on the menu. Surely, it's also a nice event to feel like in the **Wild West** once, to drink and consume like the cowboys or even the bandits with a drink or two paired with onion rings and a nice tasty burger, Typically, the dishes are prepared for you fast and fresh.
