I wanted to try this place because they added the nashville hot chicken. It was at the top. I have the mild and it was perfect heat. Did my nose blunt, but no sweat broke. And the taste was tasty on this thick juicy tender little. Wrinkles had a good season on them. Overall, I enjoyed it and would reorder. I miss Nashville and hot chicken.

Was very disappointed in the portion for the oysters was too small for a shell. The crab cakes for 10.00 was definitely worth it for the size. I can go to Alabama and get a dozen full shell for 14.00. I hope the crab I got to go was worth the 30\$. I gave it a 2 star because the food was decent but price was not worth it. Wont be coming back. [read more](#). The comprehensive variety of **coffee and tea specialties** greatly enhances the value of a visit to Herys Hot Chicken And [Seafood](#).
