this chipotle is very good. However, each chipotle is different and there is never a consistent bowl or salad. two people serve us and we have finished with two very different bowls. I was definitely short on the guacamole and my friend was full. they're also rushing through the line. I'm not even done, and the cashier tries to scream to get the payment. they also give less chips in the pockets that are disappointing.... [read more](#). What [User](#) doesn't like about Chipotle Mexican Grill:

I just placed an order online for a burrito when I went to pick up it was great it was done it was fast but when I got home it was basic just rice and beans there was almost no meat and the sour cream and salsa was all in the bottom so pretty much you eat rice and beans the whole time. I cannot taste any meat it was so little [read more](#). Anticipate the *varied, scrumptious Mexican cuisine*, which is usually prepared with corn, beans and chilies (hot peppers), Here, the barbecued food is freshly **prepared** on an open flame.
