Great food and fast service. Was there on a Saturday evening while a large birthday party was going on. This made it very noisy with all the people there, but that is to be expected. Food: 5/5 [read more](#). What [User](#) doesn't like about McDuff's On The Rum:

It would be nice when there are 2 large groups in the party room to have at least 1 server. We all had to go to the bar every time anyone needed a drink. We then stood there for several minutes each time before we even were noticed by a bartender. Food: 3/5 [read more](#). The catering service is also provided by the restaurant for its visitors, You'll find scrumptious **South American** cuisine also on the menu. Of course, the right drink with a meal can be crucial; this **gastropub** provides a large diversity of scrumptious and local alcoholic beverages like beer or wine, and you can indulge in fine American menus like **Burger or Barbecue**.
