What [Gene K](#) doesn't like about Spencer's Route 46:

09/19/23 6:30 PM No service. Waited 20 minutes with surrounding tables arriving later but received service whilst we waited. Hostesses to young to understand the job description. A hostess should be observing the floor to ensure that servers are looking after customers in a timely manner and pick up the slack when service lags. The hostesses were pleasant enough and seated us promptly but failed to ensure that servers were aware we were seated in their section. I have good experiences in the past. Tonight wasn't Spencers night. During meals, a refreshing drink is essential.
