For someone who visits Oxford frequently, yet doesn't live there (I have in the past), I find the Blind Pig to be a wonderful, friendly taste of my old hometown. The beer is cold, the staff warm, and the selection is second to none. There's something to be said when you can disappear for months at a time and the staff still remembers what you drink. Excellence! [read more](#). As a visitor, you can use the WiFi of the place free of charge. What [Bambi Hoggle](#) doesn't like about The Blind Pig Pub And Deli:

\$38 dollars for two Philly cheese steaks, 1 order of fries and 2 drinks. The sandwich contents were like hamburger meat. The meat, onions and bell pepper ? , were all ground together?with some American sliced cheese or liquid cheese product added. Bun was OK. A very poor Philly-cheese steak sandwich, at a very high price. Service was about a 10% tip level?being generous, for a young working person. For quick hunger in between, The Blind Pig Pub And Deli from Oxford presents fine sandwiches, small salads, and other treats, as well as hot and cold drinks, You'll find nice **South American** menus also on the menu. Furthermore, you'll find delicious American menus, like for instance burgers and grilled meat on the menu, For you, the dishes are normally prepared in the **shortest time and fresh**.
