What [User](#) likes about Jade Garden:

I came to make a plate, about an hour before the close. I thought the selection would limit because they soon closed and especially wanted the fried fish. I was right. they were just there. I was willing to get what was left, but kathy the cash took the extra mile in customer satisfaction and prepared a fresh batch only for me. she didn't have to, and I didn't ask her, but I did, and I will always recommend this edit... Used to be my favorite place to go but now there customer service is trash Took all my food back from my boyfriend and THREW his money at him because we told them the coconut shrimp had no sauce on it and offered to wait for more. I thank god my boyfriend has restraint but I don't I'll never come back here again the lady at the front desk has become very bitter [read more](#). In the kitchen of Jade Garden in Monroe, traditional dishes are prepared with typical Asian spices tasty, The successful fusion of different menus with fresh and occasionally daring products is highly valued by the guests - a nice example of Asian Fusion. The *versatile, tasty Chinese cuisine* always goes down well with customers.
