The Menu of Tenmatsu from San Francisco contains about **15** different meals and drinks. On average, you pay for a dish / drink about \$6.4. What [Michelle B](#) likes about Tenmatsu: The food is so good, fresh, and at a great price. Both the teriyaki bowl and the tempura roll I got came in roughly under \$20, and the owners are so friendly and sweet. No seating though since it is a to-go spot, but a great option for a quick lunch! [read more](#). For visitors of the restaurant, the catering service is also available, tasty particularly are the *Sashimi* and delicacies like *Sashimi* that this restaurant is known for. A lot of freshly harvested vegetables, fish and meat is used in the healthy Japanese cuisine of Tenmatsu.
