What [User](#) likes about Ray's Diner: Had the special vegetable beef soup with grilled cheese. Taste delicious! For this cold day. Here too it is super clean. Back to try different menu elements safely in the future. [read more](#). What [David Hall](#) doesn't like about Ray's Diner:

Country style home cooking in a re-purposed home. Imagine driving to a friends house and how limited in space their parking and eating space may be. This is kind of what it is like at Ray's because you can see how it was a house, just knock down some walls and make everything else a dining area. However, service is friendly and food is good with the classic salty taste. [read more](#).
