[The Card](#) of Le Noir from [Lenoir City](#) contains about **15** different menus and drinks. On average, you pay for a dish / drink about \$12.2. What [Ryan Allen](#) likes about Le Noir:

Holy cow this place is a great place. I honestly didn't know that this place was going to be good or even worth trying. We went there for drinks and ended up staying for dinner!!! The staff is great and the owner is super cool. [read more](#). You can use the WiFi of the place at no extra cost. What [Tinkaboutit](#) doesn't like about Le Noir:

The kitchen this owner had was filthy! The outer, customer section was decent but access to the back area showed that the stove had built in grease and the floors were beyond gross. There is no way any human should be eating anything this owner prepared. On top of that-he angrily complained about his landlord when the issues there are related to his nastiness! [read more](#). The Le Noir from Lenoir City serves **meals** that you can find all over Europe, But above all, there are traditional German dishes with matching sides like fries as well as salads.
