Today 12 of us went to Bar Louie to celebrate my mother's 87th birthday. Lauren was our server and she was amazing!!! She took the best care of us and everything was wonderful. She made go suggestion when struggling to make decisions and even though she was busy she took time to have a meaningful conversation with the birthday girl and take our photo together. Lauren ROCKS! We will definitely be back. [read more](#). What [Nicholas Taglia](#) doesn't like about Louie Belmar:

Curious if your employees complain about a terrible tip No service, waiting for another beer for 28 minutes while watching all 3 servers sit and enjoy the time at the bar watching the game and eating? they should be working? Do you guys find this acceptable for your establishment? [read more](#). During a meal, a good drink is essential. In this *gastropub*, you not only get delicious dishes from the menu but also a comprehensive and particularly good selection of **good beers and other alcoholic beverages** that go well with the food, And of course, you should also try the delicious burgers, with sides such as fries, salads, or wedges served. You have the option to, after the meal (or during it), also relax at the bar with an alcoholic or non-alcoholic drink, There are also scrumptious South American menus in the menu.
