Delicious!!! Everything came out quickly and freshly! And the waitress was really nice! This is the second time we were here now and we enjoyed everything we have eaten so far! [read more](#). When the weather is pleasant you can also have something outside. What [User](#) doesn't like about Plaza Azteca:

This place is quite run down on the inside and in need of a revamp. The food was okay, but nothing really special. Our servers were great really went above and beyond to assist with our experience. Also, they have AMAZING frozen margaritas (and you can get them to go : [read more](#). The extensive selection of *coffee and tea specialties* makes a visit to Plaza Azteca even more worthwhile, The **tasty** desserts of the establishment also shine not only in the eyes of our little guests. Look forward to the enjoyment of scrumptious vegetarian meals, The atmosphere also makes the eating of typical **Western dishes and drinks** an unforgettable experience.
