Pretty darn good place to stay when you are in Ketchikan. Staff is super friendly and rooms and lodge common areas are good. Great location with some nice views of the ocean. Close to the main row of bars, stores and restaurants. Best part is how friendly and helpful the staff is to guests. Have stayed there a couple of times and never disappointed. [read more](#). The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physiological limitations, and there is complimentary WiFi. What [Debbi Short](#) doesn't like about West Coast Cape Fox Lodge:

I had the Halibut blueberry salad. It could have been a little fuller but it was OK. My 2 friends however, had fish and chips. There was so much breading on it that they had to take it off and found littlest pieces of halibut. I will never order order fish and chips there, and I'm sure they won't either. [read more](#).
