This place is such a gem. It's located in the Daxton Hotel and it's lovely. The ambiance is nice, the staff is friendly, and the food is amazing. The menu is small, but the quality is incredible. We came for brunch and we were really impressed with everything. We got the pastries, the poached eggs, and the flat iron steak and eggs. I couldn't recommend this place more. I will definitely be back. [read more](#). The restaurant offers free WLAN for its customers, And into the accessible spaces also come customers with wheelchairs or physiological disabilities.

What [User](#) doesn't like about Madam:

the waiter was a little misleading about truffle fries. add them to vs. comes with the meal. the pommes were an add on and we didn't understand. they were \$22. more than our meal of \$20. also the bloody mary's were not good. not sharp as desired. does not come with a pickel speer or olive, or sellerie salt edge or something really. the service was also very slow.
