during the service was exceptionally good and eat excellent, the noise level made it really hard to have comprehensible talks without screaming or repeating a set. we recommend a friend with this condition [read more](#). The diner and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological disabilities. What [SusanP](#) doesn't like about Moeca:

Terrific, original and tasty, fish and shell fish-centric with good vegetable options too. Mostly small plate, tapas dishes to share. A bit expensive given the tapas format, but dishes are also complex and very well prepared. [read more](#). During a meal, a good drink is essential. In this [gastropub](#), you not only get delicious menus from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, and you can look forward to the scrumptious classic [seafood](#) cuisine. After the meal (or during it), you can still relax at the bar with a *alcoholic or non-alcoholic drink*, The **tasty** desserts of the establishment also shine not only on children's plates and in children's eyes.
