This is one of the best Burger sites I was at, and one of the most iconic retro designs. I recome on the menu, I heard nothing but good things and loved what we had. Definitly recomend this delicious community spot. [read more](#). As a visitor, you can use the WLAN of the restaurant at no extra cost. What [User](#) doesn't like about

Richwine's Burgerville:

I have no idea how many 5 star reviews are available. We're so often past this place because the line is so long. With all the people waiting and all 5 star reviews we thought it was the most delicious burger in the state. I didn't even take a photo because the burger was as sad, smashed and escaped as the other pictures already published. The burger was pretty bland, edible, but definitely not worth waiting. Fries h... [read more](#).
