I always come here, and every time it is infected, eating is very fresh and the service is very attentive. I would recommend the 3 tastes of fish or so if the currys. [read more](#). What [User](#) doesn't like about Thai Cottage Sugar Land:

they called them to ask if they allow to dinatate when we reach 8-45. they affirmed that they will serve when we went there before 9. But after I went there they were very hesitant to serve us. So we left the place. This is very unprofessional and I think they should have someone with better verbal skills on the phone. the place looked good with lots of plants. [read more](#). If you want to **a cocktail after work** and hang out with friends, Thai Cottage Sugar Land from Sugar Land is a good bar, on the daily specials there are also a lot of *Asian dishes*. If you're the type for flavorful meals, then try the **Thai meals**, Furthermore, the visitors love the creative combination of different dishes with new and partially experimental products - a nice example of successful Asian Fusion.
