You can also contact them through their website. What [User](#) likes about Burger King:

It beats McDonalds all day. At least the beef tastes like the beef that is not so fat that it slips down the neck. Not too bad for a quick bite, but only if his only rodeo in town. If you have a better option, go for it [read more](#). What

[User](#) doesn't like about Burger King:

Food took forever to get and then wasn't hot. They had at least 4 cars that had already paid stacked up waiting on food. It was more like a parking lot than drive through Service: Take out Meal type: Dinner Price per person: \$10–20 Food: 1 Service: 1 [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological disabilities, and there is complimentary WiFi. In the morning, you can enjoy a diverse brunch at Burger King, freely at your own will, Of course, you also have to try the **fine burgers**, that come with sides like fries, salads, or wedges offered. Meals are usually prepared in the shortest time for you and brought to the table.
