first time eating at this particular location out here in Katy but have frequented other locations in the Houston area many times before. so good food and service as the other locations. but shout out to Brett, a youngish excellent waiter, he was very friendly and welcoming. good promoter and knowledgeable of the dishes and was always checking up on our table! [read more](#). What [User](#) doesn't like about Bb's Tex-orleans: I was extra excited to try this place because of all the Amazing reviews. Sadly the food was not good. The boiled shrimp and crawfish were good. But the ?Catfish? with fries and shrimp was just nasty the fish wasn't catfish! It taste like Tilapia!! I can assure you it was tilapia. [read more](#). If you're hungry for some tasty South American culinary arts, this is the place to be: exquisite menus, roasted with [fish](#), [seafood](#) delicacies, and meat, but also [corn](#), [beans](#), and [potatoes](#) are in the menu, The **tasty** desserts of the restaurant also shine not only in the eyes of our little guests. Furthermore, you'll find scrumptious American dishes, like for instance burgers and grilled meat on the menu.
