It appears that this owner thinks he is above the law or what is he hiding? I had my purse stolen at his restaurant recently. The very helpful lady at the counter called him to view the surveillance video. He said that he would come in the next morning we went, he was a no show. His employee said that he would be in two or three hours later, no show again. This time he said that he would show the police the video oop... [read more](#). Get excited about the diverse, tasty Mexican cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers), for breakfast they serve a *extensive breakfast* here.
