What [User](#) likes about New York Pizza Co: I was looking for something to eat and drove by the restaurant. I passed it up on my way to in-N-out but I soon realized that pizza sounded so much better than a burger and fries. It was one of the best decisions I could have ever made. I wasn't sure what to expect from a box on the corner but soon reminded that you don't judge a book by its cover. I must say that this was by far the best pizza I've had in so many ye... [read more](#). What [User](#) doesn't like about New York Pizza Co:

Worst experience I've had with this place smh!! The manager that answered the phone- I would say helped but I was not helped- was utterly very unprofessional and not at all manager-like I always order the same pizza a large party pizza with pep. Ham, bacon, pineapple and jalapenos. My pizza didn't come with jalapenos I called and they told me their was nothing she could do....? Never have I EVER had an issue here I L... [read more](#). If you're desiring some *spicy South American gastronomy*, you're in the right place: tasty dishes, prepared with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu, Also, you shouldn't miss out on the tasty pizza, original freshly baked in a wood oven. The burgers of this place are among the highlights and are usually served with side dishes such as French fries, salads or wedges, and you can look forward to traditional Italian cuisine with classics like pizza and pasta.
