I ordered a loaded potato with chicken. The food was tasty, the staff was friendly, and the value was excellent! There aren't many places left like this. Go now and thank me later. <a href="read more">read more</a>. What <a href="Milena Popović">Milena Popović</a> doesn't like about Dick Howell's Bar-B-Que:

Their website lied! The pulled pork wasn't hot. The bun was squashed. The Cole slaw was warm and tasted like egg salad. The sides were miniature portions. The actual establishment was old and dirty. Howell's may have been, at one time amazing. Not now. Our first Alabama BBQ was a bust. <a href="read more">read more</a>.
