10/10 recommend this place. People are so beautiful and the atmosphere is enchanting. I ordered 1 pernil (Roastschwein) with yellow rice and one with white rice and beans. I also have a delicious drink, but forget what it means. Anyway, everything is absolutely delicious! The food, the atmosphere, the people all 10/10 I just wish I lived closer. As a visitor, you can use the WiFi of the restaurant at no extra cost. What [User](#) doesn't like about Sabor Latino Wb:

If you're desiring some **hot South American gastronomy**, you're in the right place: tasty menus, prepared with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, and you can enjoy here fine American dishes like **Burger or Barbecue**.
