The music is just what you want to dance a great night out The scene is funny and alive. So a great place to dance until it crowds people and doesn't dance. The staff is arrogant and rude. You can use the WLAN of the restaurant free of charge, And into the accessible rooms also come guests with wheelchairs or physical disabilities. If the weather are right, you can also eat and drink outside. The **catering service** is also provided by the restaurant for its guests, Additionally, well digestible *Mediterranean dishes* are on the menu.
