What [User](#) likes about Dos Amigos:

The food was wonderful. Decor and ambience was beautiful, but music would have made it perfect. The service could have been better, it doesn't seem like the staff knew the food or even tasted it. But the good food is prepared for it. The menu is very appealing, everything looks so good. I hope if I return, I can try more menu items. This photo is from the Mocajet bowl. [read more](#). The restaurant offers free WLAN for its visitors. What

[User](#) doesn't like about Dos Amigos:

That was our families first trip to the restaurant. We've been a lot too elko and decide it would be great to try something new. Big mistake. We sat immediately and chips and salsa were delivered. Then absolutely nothing. No one came to offer drinks take our order that we have 4 children who decide forever. After 20 minutes and a server that just waved her hand in our direction, we were annoyed so we decided to go. [read more](#). The joint spoils you with a bit of this and a bit of that with their popular Tapas, **fine vegetarian menus** are also on the menu available. You can also relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, Moreover, the drinks menu of this **gastropub** offers a good and especially large diversity of beers from the region and the world that are definitely worth a try.
